

# THE INNOVATORS

the 1st virtual & visual innovation ecosystem

Our Mission is to build up the vibrant innovators community in the virtual and visual form. Uniquely positioned in the innovation eco-system, the INNOVATORS combines all functions of the current stakeholders: thought leadership, industry resources, VC insights, startup showcase, adding creativity into innovation.

## THE SPACE

For industry thought leaders to share insights and convene industry dialogues

## THE CHANNEL

For startups to broadcast their innovation towards industry stakeholders and the general public audience

## THE PLATFORM

To empower innovators for success
